Policy

This policy will authorize County of Two Hills residents to access funds for the Seniors Medical Alert Program (SEMAP).

Upon receiving verification from the St. Joseph's General Hospital (Vegreville), that a County Resident has qualified for and obtained the Emergency Medical Alert System.

The County of Two Hills will reimburse the St. Joseph's General Hospital for County Residents on the said Alert System, the sum of \$16.61 per month, to a maximum limit of \$200.00 per annum, per individual.

Compensation will be distributed at the end of each calendar year, upon receipt of written notification from St. Joseph's General Hospital "Emergency Response Centre" verifying County Resident's Name, Address, Legal Land Description and number of months on the program.

This Emergency Medical Alert System Funding Policy will cease upon provincial cancellation of the Public Transportation Assistance Grant Program or by approved resolution of the County Council.
