

COUNTY OF TWO HILLS NO. 21

Policy Number

PUB-GRV-4

Title

Private Gravel Sales - Industry

Page 1 of 1

Date Approved

February 21, 2018

Policy

The County of Two Hill may provide Industry with the opportunity to purchase crushed gravel and will make crushed gravel available for sale to Industry of the County of Two Hills (locations must be within County boundaries). Additionally, the County wishes to protect its assets and ensure the safety of the County employees.

County Council will determine the rate at which gravel will be sold to Industry as determined by resolution annually.

County Council reserves the right to limit the amount of gravel to be sold to Industry.

Willingdon and Myrnam Seed Plants are considered non-industrial, exempt from Industry rates.

Industry can place their gravel order through the Public Works Department beginning April 1 and will be accepted as long as late season weather permits supply and delivery. The end date will be at the discretion of the Public Works Supervisor and/or designate.

Industry will be allowed to choose from these non-spec categories:

- a) $\frac{3}{4}$ inch crush gravel
- b) 1 $\frac{1}{2}$ inch crush gravel
- c) 2 inch crush gravel

All sales are dependent on surplus availability of product.

A County of Two Hills Gravel Delivery Agreement must be executed and paid in full prior to gravel sale.

Gravel picked up in the County public works yard/pits will be charged at full rate.

Pick up date must be booked through Public Works Administration (private delivery list will be supplied upon request).
